

**HER MARRIAGE KEY by Audrey Hope**

*“The divinity in me salutes the divinity in you.”*

**As Woman, High Priestess, Goddess, Wife, Mother, Lover, Friend,**

**I vow to marry myself...first.**

**I promise to love, honor and respect me for all time.**

**I promise to speak my truth and listen to my sacred heart.**

**I know that I know I am a queen.**

**And I join you in my knowing, of what I am.**

**And I take you as partner, husband, because**

**You could understand...**

**The Holy Grail is my body,**

**Divine light flows in my veins,**

**And together in holy joining,**

**We both sanctify,**

**The power of who I really am.**

**I choose, dear beloved, to cherish you,**

**As sacred love from heaven and God above,**

**BUT only on the terms of this agreement.**

**NAMASTE.**
